

## Example of Itemized Receipts for Bay-Friendly Landscape Rebate Program

Please note the format requested to process invoices submitted for rebates under the Bay-Friendly Landscape Rebate Program is an "itemized" invoice. Please ask your landscape professional to format the itemized bill as shown. While the sample receipt provides all associated costs to the job, the rebate only covers the cost of the material. Please refer to the terms and conditions found on the rebate application form.

Name and Address of Landscape Company  
Date of invoice  
Name of Customer  
Address of Customer including City, State and Zip
