Rising Sun Energy Center's flagship program the California Youth Energy Services (CYES) in collaboration with both Marin County Energy Watch & Marin Municipal Water District is offering any resident of Marin County an energy assessment and retrofit of the items listed below, at no cost.

OUR MISSION: Rising Sun Energy Center's mission is to create a society that uses energy and water responsibly and equitably.

WHAT WE PROVIDE FOR YOU: Energy Specialists will come to your home and provide an energy assessment and retrofit that includes:

- Replacing all incandescent light bulbs (indoor and outdoor) with Compact Fluorescent Lamps (CFLs)
- Installing efficient- flow shower heads and faucet aerators
- Powerstrips
- Checking all toilets for leaks
- Providing retractable clotheslines
- Swapping halogen floor lamps with fluorescent ones
- Providing information on ways to save energy and water

There is **NO COST** for any of the above items.

OUR TRACK RECORD: The CYES program has been running in Marin County for six years and the East Bay for 12 years. During this time we have:

- Hired 830 youths (aged 15-22)
- Served 16,000 homes
- Helped save over 11.5 million energy dollars
- 99% of our clients have rated CYES services as good or excellent
