

Volunteer Opportunities

AUGUST 2010

Trail Crew / Project Restore

SATURDAY, AUGUST 7, 2010, 9 A.M. TO 2 P.M.

Join us as we improve and re-route sections of Azalea Meadow Trail. Explicit trail connections and signage help people identify official trails and minimize the likelihood of getting lost. A district vehicle will shuttle volunteers to the work site. We will meet at 9 a.m. at Lagunitas Picnic Area, located at the end of Sky Oaks Road, off Bolinas Road in Fairfax.

Habitat Restoration

SATURDAY, AUGUST 21, 2010, 9 A.M. TO NOON

Help us remove French broom that is encroaching upon grass meadows and Oak woodland habitat along Canyon Trail. Removing invasive species is a crucial step towards preserving native ecosystems. We will meet at 9 a.m. at the Marin Stables at the end of Wood Lane in Fairfax.

Young Turkey Vulture. These scavengers prefer areas of open grassland with nearby forest.

To pre-register or for more information, call 415-945-1128 or e-mail volunteerprogram@marinwater.org.
