

# HOT WATER RECIRCULATING SYSTEM REBATE

---

## OVERVIEW

MMWD is offering a rebate for hot water recirculation systems. These are systems that help address the water loss experienced when waiting for water to warm up when running the shower or faucet. Rebates are offered on a first-come, first-served basis, subject to the availability of funding.

## REBATE AMOUNT

Rebate is 100% of the cost of a new hot water recirculation system up to a maximum of \$50, not including sales tax, labor, or shipping.

## TO APPLY

1. Purchase and install a new hot water recirculation system.
2. Submit your application with receipt.
3. Include a completed IRS Form W-9 if you will receive more than \$600 in rebates from MMWD during the tax year. Rebates over \$600 may be considered taxable income and a 1099 will be issued. For more information on whether your rebate check will be considered taxable income, please contact a qualified tax professional.
4. Rebates may require a site visit. MMWD will contact you to schedule a site visit, if required.

## ELIGIBILITY

- You must be an existing customer of MMWD with an active potable water service.
- If you are not the owner of the property where the hot water recirculation system is installed, you are responsible for obtaining necessary permissions from the owner before applying for this rebate.

## REQUIREMENTS

- Purchased after May 4, 2021.
- Limit one rebate per household.
- The rebate only applies to newly installed recirculating hot water systems purchased in new condition.
