Water Use Limits

Residential water use above Tier 1 will be subject to penalties. Customers that exceed their allotment can expect to see penalties on their **first winter water bills**.

Restrictions on Pool Filling

Customers will not be able to refill completely drained swimming pools, or fill newly constructed swimming pools with water from Marin Water if the building permit was issued after December 1.

No Outdoor Irrigation

Outdoor irrigation will no longer be allowed. This prohibition will last until May 31, 2022. Spot watering by hand and using recycled water are exempt.
