

# Indoor Water-Savings Potential

Marin is in a Severe Drought: Save Water

With reservoir levels at historic lows, Marin Water's board of directors declared a water shortage emergency and adopted mandatory water use restrictions. The goal of the restrictions is to achieve a 40 percent reduction in water use districtwide.

The water you save saves Marin.

Normal Use

**20**  
Gallons

High-flow showerhead

Saving Water

High-efficiency showerhead 1.5 gallons/minute

**7.5**  
Gallons

**1.6-3.5**  
Gallons

Conventional toilet

High-efficiency toilet

**0.9**  
Gallons

**15**  
Gallons

Pre-1994 dishwasher

Energy Star dishwasher

**3.2**  
Gallons

**6**  
Gallons

High-flow faucet 3 gallons/minute

Water-efficient aerator 1.0 gallons/minute

**2**  
Gallons

**40**  
Gallons

Older top loader clothes washer

High-efficiency clothes washer

**13**  
Gallons

# Outdoor Water-Savings Potential

We're here to help you save water during this historic drought.

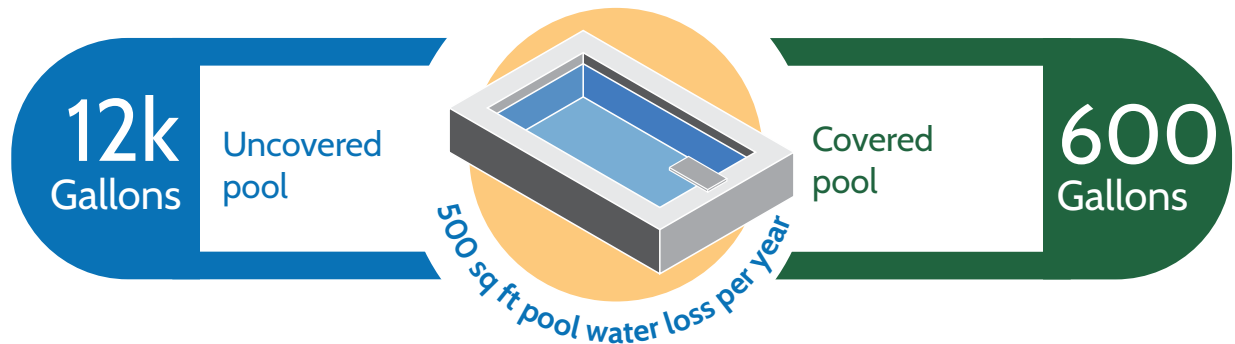

We offer free water-efficient fixtures including hose shutoff nozzles, faucet aerators, showerheads, shower timers and leak detection dye tablets. We also provide free phone consultations to help you find the conservation programs and rebates that work best for you.

Marin Water offers a great package of rebates and money-saving incentives for water conservation. Saving water isn't just about saving money. It's about managing our resources and building a more sustainable future.
