

OVERVIEW

Residential customers can receive up to \$150 for replacing older toilets with new, high-efficiency models. Toilets must be on MaP Testing's PREMIUM list and use 0.8 gallons per flush (gpf) or less. MaP PREMIUM-rated toilets meet high standards for both water efficiency and performance.

TO APPLY

1. Be a residential Marin Water Customer. You must be the owner of the property receiving potable water service from MMWD or an existing customer of MMWD with an active potable water service.
2. Purchase a qualifying high-efficiency toilet on or after June 22, 2022. Verify the toilet you are buying is on the list of MaP PREMIUM toilet models approved by the California Energy Commission for sale in California (map-testing.com/map-premium), and is a model that uses 0.8 gpf or less. Note: You must replace a toilet using 1.6 gallons per flush (GPF) or greater. Information on determining your toilet's flush volume is available [here](#).
3. Install the qualifying high-efficiency toilet in your home. Products must be installed in properties where water service is provided by MMWD.
4. Submit this application, including a copy of your sales receipt (original receipts will not be returned).

HET Rebate Program Terms and Conditions

- Only qualifying toilets purchased during the period of this rebate offer, starting on June 22, 2022 and ending whenever funds are expended or the program is terminated, are eligible for a rebate. No exceptions.
- Eligible toilets must be on the list of MaP PREMIUM toilet models approved by the California Energy Commission for sale in California. Applicants must be replacing a toilet using 1.6 gallons per flush (gpf) or greater. Information on determining your toilet's flush volume is available at marinwater.org/rebates.
- Toilets on the MaP PREMIUM list are only recommended for use in residential applications, or other installations where sufficient volumes of supplemental flows of water are introduced into the building drainline system near the toilet fixture (clothes washers, showers, dishwashers, process water, food service operations, sinks, etc.). Applicants are responsible for determining the suitability of their site for installation of high-efficiency toilets.
- The exact tank and bowl model number of the toilet purchased must be on the MaP PREMIUM list at the time the application is submitted.
- Costs eligible for rebate include toilet tank, bowl and seat up to a maximum rebate of \$150 per toilet, excluding tax, delivery, and labor.
- Rebates are offered on a first-come, first-served basis and are subject to availability of funds.

- Rebate amounts and eligible toilets are subject to change at any time without prior notice.
- If you are submitting an invoice from a plumber or contractor, please ensure it shows the name and address of the contractor, dollar amount of qualifying purchase(s), zero balance due, product brand and model information.
- If you are applying by mail, original receipts will not be returned - please make copies for your records.
- Toilet(s) must be installed within MMWD's service area.
- MMWD reserves the right to request proof of installation and/or to inspect the property to verify the toilet(s) is (are) installed, either before or after rebate is paid, and, if necessary, to recover rebated amounts for any toilet(s) not installed as required.
- Applicant certifies that necessary permissions have been obtained from property owner, if applicant is not the owner.
- Toilet(s) must replace an existing fixture; new construction does not qualify.
- Allow 6-8 weeks for processing.
