 - CalOES makes recommendations to FEMA: September 1st
 - FEMA begins project reviews and NEPA: 12 to 18 mos.
 - Project may commence work

Lagunitas Creek WaterSMART Funding

- CDFW currently funding site design for 7 high priority sites from 30% to 100% design
- 5 in-channel habitat restoration sites
 - 2,500 feet of channel
 - ~160 logs
 - 4,000 cubic yards of gravel (likely from Nicasio Reservoir area)
- 2 gravel augmentation sites
 - Place gravel near Shafter Bridge for creek to mobilize

Legislative Update

Federal Budget Development

- Monitoring \$28M WRDA Authorization
- Pursuing Congressionally Directed Spending Requests

AB 2142—(Gabriel; A.D. 45): Income Tax Exclusion

- Reinstates the California personal income tax exemption for turf replacement rebates to help incentivize participation in water efficiency programs.
- Co-sponsored by ACWA; supported by District Board (March 15th)
- In Senate appropriations

Summary

- Successfully securing funding for infrastructure and fisheries
- Identifying infrastructure projects for new applications
- Continuing to track key legislation and funding opportunities
