

HIGH-EFFICIENCY TOILET REBATE APPLICATION

OVERVIEW

Marin Water residential and commercial customers with an active potable water service can receive a rebate of up to \$150 for replacing older toilets with new, high-efficiency models, not to exceed actual cost. Toilets must be on MaP Testing's PREMIUM list and use 0.8 gallons per flush (gpf) or less. MaP PREMIUM-rated toilets meet high standards for both water efficiency and performance.

TO APPLY

1. Purchase and install a qualifying high-efficiency toilet at the property where potable water service is provided by Marin Water.
2. Submit this application, including a copy of your sales receipt within 90 days of purchase. Receipts will not be returned—please make copies for your records.
3. Include a completed [IRS Form W-9](#) if you will receive more than \$600 in rebates from Marin Water during the tax year.
4. A site inspection may be required. Marin Water will contact you to schedule a site visit, if required.

INSTALLATION REQUIREMENTS

- Verify the toilet you are buying is on the list of MaP PREMIUM toilet models approved by the California Energy Commission for sale in California (map-testing.com/map-premium) and is a model that uses 0.8 gpf or less.
- You must replace a toilet using 1.6 gallons per flush (gpf) or greater. Information on determining your toilet's flush volume is available at marinwater.org/rebates.

TERMS AND CONDITIONS

- Offer applies to Marin Water residential and commercial customers with an active potable water service.
- Applicant must be the Marin Water account holder and property owner, property owner with consent from the water-bill paying tenant, or water bill-paying tenant with consent from the property owner.
- Applicant certifies that necessary permissions have been obtained from property owner, if applicant is not the owner.
- Application for rebate must be submitted within 90 days of purchase and following installation.
- Only qualifying high-efficiency toilets purchased on or after June 22, 2022 are eligible for a rebate of up to \$150.
- Rebates cover the cost of toilet tanks, bowls and seats only, excluding tax, delivery, and labor.

HIGH-EFFICIENCY TOILET REBATE APPLICATION

- The exact tank and bowl model number of the toilet purchased must be on the MaP PREMIUM list at the time the application is submitted.
- Rebates are offered on a first-come, first-served basis, subject to availability of funds.
- Rebate amounts and eligible products are subject to change at any time without prior notice.
- Rebates will be paid to the name as it appears on the water bill, unless applicant is not the Marin Water account holder.
- Receipts must be legible and itemized to clearly show what has been purchased. If submitting an invoice from a contractor please ensure it includes the name and address of the contractor, itemized dollar amount of qualifying purchase(s), zero balance due, product brand, model and storage capacity. Receipts will not be returned—please make copies for your records.
- Rebates over \$600 may be considered taxable income and a 1099 will be issued. For more information on whether your rebate check will be considered taxable income, please contact a qualified tax professional.
- High-efficiency toilet must be installed at the property where potable water service is provided by Marin Water.
- Marin Water reserves the right to request proof of installation and/or to inspect the property to verify that the product(s) is (are) installed, either before or after rebate is paid, and, if necessary, to recover rebated amounts on the water bill for any products not installed as required.
- Applicants are responsible for complying with all applicable codes and regulations.
- Toilets on the MaP PREMIUM list are only recommended for use in residential applications, or other installations where sufficient volumes of supplemental flows of water are introduced into the building drainline system near the toilet fixture (clothes washers, showers, dishwashers, process water, food service operations, sinks, etc.). Applicants are responsible for determining the suitability of their site for installation of high-efficiency toilets.
- Toilet(s) must replace an existing fixture; new construction does not qualify.
- Allow six to eight weeks for processing.
