An aerial photograph of Phoenix Lake, a large body of water with a dark blue hue. The lake is surrounded by a mix of green trees and brownish, scrubby vegetation. A road, identified as Worn Spring Road, runs along the top and left sides of the lake. A yellow rectangular box highlights a specific section of this road. In the upper right, a semi-transparent grey box with a yellow border contains text. The text 'Phoenix Lake' is centered in the lower part of the image. A small white boat is visible on the lake's surface.

Section of Worn Spring Road
slated for repairs.
